

PASSAIC COUNTY SCHEDULE – DISASTER FOOD STAMP PROGRAM APPLICATIONS

DHS is working with Food and Nutrition Services to make available disaster-specific Supplemental Nutritional Assistance Program (SNAP) benefits for residents of New Jersey who experienced extensive material losses.

- o New Jersey residents who are not currently SNAP recipients but who have disaster-related expenses beyond the loss of food due to power outages may apply for Disaster SNAP (DSNAP) benefits at their county welfare agency or alternate sites, as designated by their county for this purpose. (Passaic County sites attached)

- o The five counties first designated by FEMA will begin taking DSNAP applications sometime this week: Passaic, Bergen, Essex, Somerset, Morris.

- **Passaic County will begin Wednesday, September 7.**

- The application process will ease requirements around documents necessary to apply for DSNAP and will weigh disaster-related expenses when considering eligibility.

- o There is an income test which includes liquid resources, such as checking and savings accounts.

- o DSNAP is a one-time food assistance benefit that can be used only for the purchase of certain food items.

- o Individuals already receiving SNAP benefits may be eligible for a disaster-supplement to their monthly benefit due the loss of power for 4 or more hours.

- § If determined eligible, recipients will NOT need to take any action.

- § The supplement will be added automatically to the Families First Electronics Benefit Card.

The Passaic County Board of Social Services will be accepting applications for Emergency SNAP (Food Stamps) assistance at the following locations and schedules.
