Need Help Paying Your Water Bill?

[The Low Income Household Water Assistance Program \(LIHWAP\)](#) may be able to help. LIHWAP is a federally funded program designed to help low-income households reduce the balances they have on their residential water and wastewater bills. Eligible households must be responsible for their own water and sewer costs and have a gross income that falls at or below 60% of the NJ State Median Income level. Click [here](#) or visit www.nj211.org/water-assistance-programs to learn more about the program and how to apply.
